

ANYONE FOR TENNIS?

A CHANCE NOT TO BE MISSED

Although Real Tennis is no longer an Olympic sport, you are cordially invited to enter a team to play in a very special event being held alongside the 2012 London Olympic Games.

GREAT TENNIS

The Cambridge, Newmarket and Hatfield clubs intend to combine their resources to host a grand festival of tennis over two weeks starting from the 28th July to the 11th August 2012. The main tournament, **The Corinthian Cup**, will use the same format as the successful Boomerang Cup and T & RA Centenary Tournament. Thus all teams (of between 5 and 8 players) will be guaranteed four matches in the

pool stage, with the possibility of another four if they progress through the knock-out stages to the final.

All entrants to the **The Corinthian Cup** will also be eligible to enter a handicap doubles competition. This will guarantee at least a further three matches and more where pairs progress to the finals. And if that's not sufficient attraction there will also be "Gold Medal" tennis competitions plus an entertaining lottery Pro-Am, where lucky entrants will get a chance to partner a Pro. What more could you want?

REGISTERING

To register interest in entering a team for this unique event please complete the form attached and return it by 1st August. Thereafter, team entry forms will be issued in mid-October for return a month later.

Places for 50 teams are currently available and will be allotted on a "first come, first served" basis.

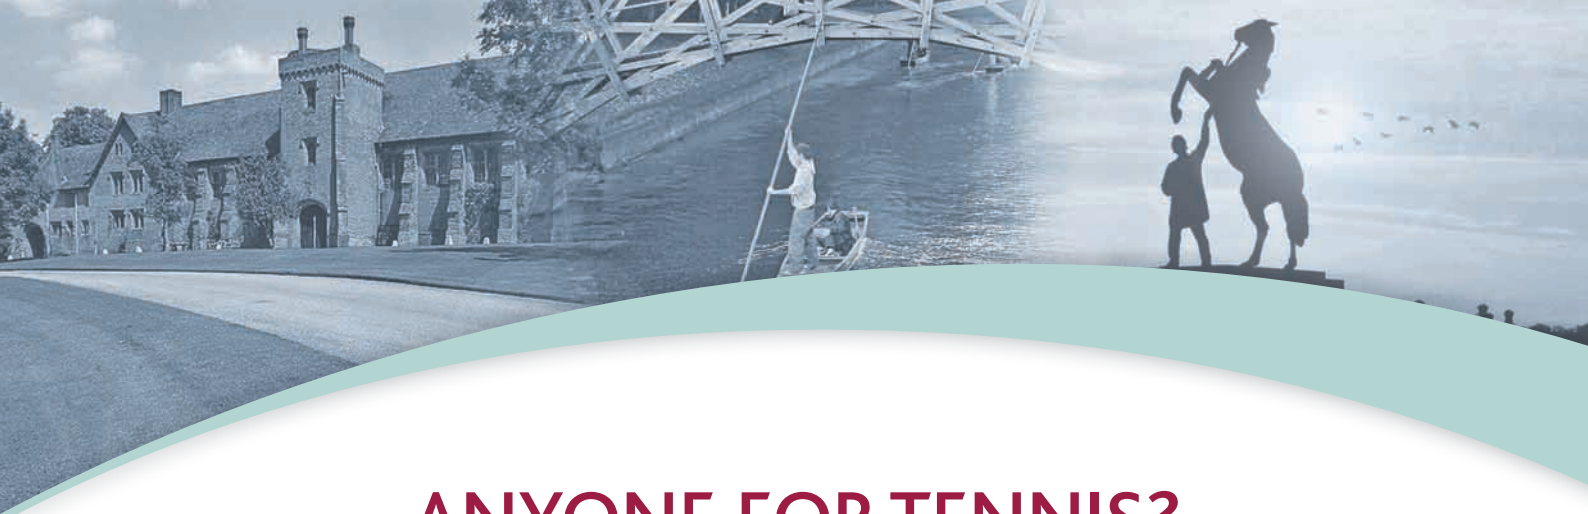

AND MUCH MORE...

To add to this feast of tennis, the schedule will allow several "days off" for competitors to visit Olympic events; with a selection of venues only an hour or so away. The organisers also plan a full and varied social programme. This will range from a smart cocktail party and formal dinner to Summer barbecues and, of course, punting on the Cam. Further attractions will include "insider" opportunities to see Cambridge colleges, Hatfield House, and Newmarket Races. Additional sporting events are anticipated, with lawn Tennis and cricket on Cambridge college grounds and golf on selected local courses all in the mix.

.....
Overseas teams and far-flung UK players, together with their social partners, keen to stay for much of the tournament and enjoy the extensive social programme, will be offered the opportunity to be billeted with host club members and friends. Some very reasonably priced accommodation in historic Cambridge colleges will also be available to those who would prefer it.
