For Youngsters with *Real* attitude!

The Voice of the Young at Moreton Morrell Real Tennis Club

No.3 May 2010

It's been a long Season...

....for the adults! However, as the Real Tennis season spans the winter months the reduction in court usage during the summer means more time for the people that really matter ... THE JUNIORS!

So make the most of your holidays by getting in some extra practice and playing in our numerous summer junior competitions. I will be issuing details of Jo's availability and the dates for the competitions in the next issue.

I have been checking the contact details I have for each of you and found that my records are not up to date!. Could you please fill out the form at the end of the newsletter and leave the completed slip at the club.(You may have already given us your details but just in case.....)

The Summer Barbeque

13th June 2010

The summer's "must do" event is in a couple of weeks time. There will be a Bouncy Castle, Tombola, Jazz Band, George's terrific barbeque, competitions and Junior Tennis (See the Coach's Rant below.)

The more people that attend the better, so drag you parents and friends along on the 13th June. If you intend to come please let the club know so that we can prepare the right amount of food. If you wish to play tennis between 1.00pm and 4.00pm please let Jo or Tim know

Away Match at Seacourt

We have been in contact with Paul Weaver at the Seacourt Club and are trying to arrange a Junior Match later in the summer. Seacourt is to be found in Hayling Island, Hampshire so if you are interested in playing please contact Jo or Tim - the contact details are found below

Coach's Rant

Guys,

The barbeque is on Sunday 13th June, you are commanded to come for two good reasons:-

- a) If you' don't, you will ever be invited to anything again, (without me making you do laps and sit ups) and..
- b) if you want to receive your handicap certificate.

Of course, we also have to show off to the adults just how much you've improved over the year. (Don't be alarmed if you have a written test on the rules and chases that we've bee working on).

The day for the juniors start at 1pm where there will be an open session - just come along and play - from 1pm through til 4pm, then from 4 until 6pm we'll have a couple of exhibition matches between some of our more experienced juniors.

Price for the barbeque is £15 per Adult and £5 per junior.
