Seacourt Youngsters beaten at Moreton

Seacourt sent a very young team to Moreton for the reverse fixture from the summer. Moreton's equally young side showed they were the equal to any in the country. The match score was close however, Moreton just pipped their more experienced opponents 10-9. The match scorecard can be seen below. Well done to all those who took part!

Another away game in the New Year

We have been challenged to a fixture at Prested Hall in Essex. It is a long way to travel, but if we can go to Seacourt and give a good account of ourselves – we can go anywhere.

Please let Tim, Tom or Nick know if you are interested. It is down to Prested to match our handicaps / ages and so anyone can play!

Dates can be arranged when we know the availability and thus numbers.

Girls travel to Canford RTC for the Ladies Real Tennis Association Under 18 Championship

Felicity Sargent and Alice Messer made the 2 hour plus journey to Canford School near Poole in Dorset to play in the Ladies Real Tennis Association Under 18 Championship. Despite having rather random RTO handicaps both girls performed well and each triumphed in one of their three matches. The group was won by an older girl from Hatfield. Next year let us be prepared and send an even stronger contingent south.

HAPPY CHRISTMAS TO ALL OF YOU AND**Keep Playing**
